Congratulations!

Triton Water Polo Club would like to congratulate Olivia Mackell for being selected in the Target Squad to represent Australia at the 2014 18 and under World Championships.

Olivia was named in the born 1996 squad at the recently concluded 16 and under National Club Championships where she gave an outstanding performance playing for Dolphins as Triton did not send away a 16 and under Girls team.

Triton would like to wish Olivia the very best for her water polo future.

Apologies

The Editor would also like to apologise to Danielle Woodhouse for her omission in the previous newsletter from the list of world class goalkeepers that Triton has a long history of.

Danielle Woodhouse of course was the gold medal winning goalkeeper from the 2000 Sydney Olympics and continues to be an active club member and conscientious mentor for up and coming goalkeepers in the Women's grades.

Code of Behaviour

Dale Ballantyne, CEO of WA Water Polo has asked that all clubs be made aware that following a couple of incidents which occurred last week during the first round of senior fixtures on Wednesday night, a general edict has gone out that any disrespect to the referees will be dealt with a red card.

Dale has asked that there by some respect paid to the referees, even if they are inexperienced and learning their craft. Even in the heat of battle, WA Water Polo has asked and expected that players will show respect to the referees or they may well choose not to continue their refereeing duties.

Clubs are expected to provide a table official for their games. Although a one week grace period has been extended generally for the filling in of score sheets with players' respective ID numbers, for the next round it is expected that all game sheets will be filled in correctly.

Results Entry

For Managers entering results after the games onto SportingPulse our password is: Triton. Any Manager who does not have the log in or code, can contact David St. George on 9264 1483.

DSR Clubs Conference

Department of Sport and Recreation are running a Clubs Conference on Sunday, 27 November 2011 at the Esplanade Hotel in Fremantle. It will deal with topics like volunteers, management, sponsorship and the like. Anyone from the Club who might be interested please contact:
David St. George on 9264 1483;
or d.stgeorge@sso.wa.gov.au.

It would be expected that whoever may choose to attend would be expected to provide feedback to the Committee.

Results

The Men's Premier League have opened their season with a close win over Phantoms followed by losses to Melville Sharks and to City Beach. The Women have started with losses to Melville Sharks and City Beach. I am sure both teams would appreciate any Club support. Games are on Saturday afternoons.

Training as usual this Sunday
